

A&R EMPLOYEES UNION SCHOLARSHIP - 2021

A&R will be awarding 16 scholarships to qualifying children of A&R/AFT Local 4200 members or children of former A&R members who are now members of the A&R Retiree Chapter.

Ten scholarships in the amount of \$1,500 each will be awarded to high school seniors who have been accepted to and will be attending a post-secondary educational institution. These are one-time only scholarship awards.

Five scholarships in the amount of \$1,500 each will be awarded to post-secondary students who are continuing their education. The continuing student awards are also one-time only, but the recipient may have previously received one of the A&R scholarships for high school seniors.

One of the applicants will receive a \$2,500 Harry Zilber Scholarship Award, presented in recognition of the applicant's community service. The name of the Zilber Award winner is displayed at the A&R Union Office on a commemorative plaque.

Primary considerations in the selection process are (in order):

1. Financial needs (including income level, number of siblings, etc.)
2. Scholastic record
3. Community service and extracurricular activities (including employment)

Scholarship recipients will be announced at A&R's annual convention on April 22, 2021, but will be notified shortly before then.

Completed applications must be received at the A&R Union office by April 8, 2021 at 4:30 p.m. All applications must include a copy of the most recent school transcript and the applicant's parents'/guardians' tax return(s). If the applicants' parents/guardians have not yet filed their 2020 taxes, the applicant should provide copies of his/her parents'/guardians' 2020 W-2s and a copy of their 2019 tax return(s). NO EXCEPTIONS.

Please delete or redact all Social Security numbers on financial records. Incomplete and late submissions will not be considered. Direct all applications to the attention of:

**A&R Scholarship Committee
Administrative & Residual Employees Union
805 Brook Street, Building 4
Rocky Hill, CT 06067**
