UNION SECURITY AND PAYROLL DEDUCTION

Section One. Consistent with labor laws and precedent, an employee retains the freedom of choice whether or not to become or remain a member of the Union designated as the exclusive bargaining agent.

Section Two. The State employer shall deduct Union dues biweekly from the paycheck of each employee who provides the Union authorization to receive such deduction from the State as soon as practicable, expected to be not later than the second pay cycle of the Union providing certification of said authorization to the State. The Union shall provide to the corresponding payroll contact, a list of all employees who have authorized dues deduction in a format dictated by the responsible payroll contact. In addition, the Union shall provide a report of dues deduction changes including any “starts and stops.” By providing such list, the Union certifies that each employee has knowingly and willfully consented to the payroll deduction. Within 10 business days of receipt, the Union shall notify the corresponding payroll contact, in writing, of any revocations of said authorizations and the effective date of the same. Such revocations of collection of dues or other authorized, legitimate union deductions shall be effectuated by the State as soon as practicable, expected to be not later than the second pay cycle after notification by the Union has been provided to the corresponding payroll contact.

Section Three. The parties recognize that the authorization of the Union to receive payroll deductions is an agreement solely between the Union and its members which the member may revoke consistent with the Union's membership rules.

Should a bargaining unit member approach the State or its agents seeking information on matters regarding Union membership, that bargaining unit member will be directed to the Union's website at wwwandr.ct.aft.org for instructions as to how to communicate directly with the Union. In such case, the State may notify the employee of its obligation to comply with this Article, including Section Two above. If the State is informed of a dispute between a bargaining unit member and the Union concerning the obligation to withhold union dues, it may invoke Section 4.
Section Four. Upon request of the State, the Union shall provide legally sufficient proof of the authorization to collect dues through payroll deduction to the State for any employee who disputes said authorization. If the requested proof of authorization is not provided within seven (7) calendar days of the request, the State will cease withholding union dues for that employee not later than the first day of the following payroll period. The State shall rely upon information provided by the Union regarding whether deductions for the Union were properly canceled or changed, and the Union shall indemnify the State for any claims made by the employee for deductions made in reliance upon such information. Deductions may be revoked only pursuant to the terms of an employee’s written authorization.

Section Five. The amount of dues deducted, under this Article, together with a list of all employees for whom said deductions were made, and a list of all employees in the bargaining unit, shall be remitted to the Union’s designee as soon as practicable, expected to be not later than two (2) weeks after the payroll period in which such deductions are made.

Section Six. In accordance with procedures promulgated by the Office of the State Comptroller, the State shall allow for the voluntary payroll deduction of contributions for the Union’s political action fund. Authorization for such deduction by the employee shall be provided in writing by the Union to the corresponding agency payroll offices consistent with process outlined in Section Two above.

Section Seven. No payroll deduction of dues or other authorized, legitimate union deductions shall be made from workers’ compensation or for any payroll period in which earnings received are insufficient to cover the amount of deduction, nor shall such deductions be made from subsequent payrolls to cover the period in question (non-retroactive).

Section Eight. No other organizations shall be entitled to deduction of its dues or other authorized, legitimate union deductions from the payroll.

Section Nine. The State employer shall continue its practice of payroll deductions as authorized by employees for the purposes of authorized, legitimate union deductions other than payment of Union dues, provided any such payroll deduction has been approved by the State in advance.

Section Ten. The Union shall indemnify the State for any liability or damages incurred by the State in compliance with this Article.
TENTATIVE AGREEMENT

Section Eleven. (a) The existing system of voluntary payroll deductions for the Union's Political Action Fund shall be continued.

(b) The State will provide the Union with another deduction slot, if and when a slot can be provided on a bargaining unit basis.

NEW: Section Twelve: A&R will waive dues for employees who are on military leave for a qualifying operation as outlined in Comptroller's Memo 2013-24, and waives the deduction of dues and fees from the "part pay". When the part pay status ends and the employee begins receiving their full state pay (due to returning to work or using accrued leave), the payroll deduction of union dues must be reinstated immediately as soon as practicable, expected to be not later than the second pay cycle following the employee's return to full pay status.

Section Five. Bulletin Board. The State will continue to furnish reasonable bulletin board space in each institution, which the Union may utilize for its announcements. Bulletin board space shall not be used for material that is of a partisan political nature or is inflammatory or derogatory to the State employer or any of its officers or employees. The Union shall limit its posting of notices and bulletins to such bulletin board space. Consistent with Public Act 21-25, the Union shall have the right to use the State’s electronic mail systems to communicate with bargaining unit members regarding collective bargaining, the administration of collective bargaining agreements, the investigation of grievances, or other workplace-related complaints and issues, and internal matters involving the governance or business of the Union. With the implementation of Public Act 21-25, the State will discontinue the practice of furnishing dedicated bulletin board space for Union use in each institution. Individual employees are permitted to use a State computer to visit the Union’s website, and to use a State computer and email to interact with an authorized Union representative in matters involving representation and grievance processing.

Section Eight. Orientation. (a) The Employer will provide each new employee with a link to a copy of the collective bargaining Agreement then in force and will furnish such employee with the name of his/her steward. The Employer shall notify the Union of new hires not later than the date of the first paycheck after hire.

NEW: (b) Except by mutual agreement of the parties, all new members of the bargaining unit shall be eligible for paid release time of one (1) hour to attend a Union orientation, if they so desire. The Employer shall have the option to choose for the orientation to be combined with a new hire orientation conducted by the Employer; in such case, the Employer will provide the Union with ten (10) days' notice of the time and location of such orientation. Management shall not be present during the Union's orientation. One (1) Union designated representative shall be released from normal duty to attend such. Any additional Union designated representative(s) attending an orientation meeting shall be required to attend such using union business leave.

If the Employer chooses not to schedule its orientation within thirty (30) days after the employee's hire or not to add the Union orientation to the Employer orientation, the Union shall schedule its orientation at its discretion but consistent with the Employer's operational needs. Ten (10) days in advance of the proposed orientation date, the Union shall contact the Employer to arrange for meeting space at the Employer's facility. The Employer shall make every effort to make meeting space available within a timeframe acceptable to the Union.
New: Section 11: The State will provide notice to the Union of new members of the bargaining unit, by forwarding the Union a simultaneous copy of the position appointment letter which initiates entry into the bargaining unit (via any relevant transaction, including hire, promotion, transfer, demotion, accretion, etc.). The hiring Agency shall transmit said position appointment letter to a union-designated email address.
ARTICLE 10 SERVICE RATINGS

Section One. All employees shall receive an annual evaluation three months prior to their anniversary date (January 1, or July 1, as applicable). (C.G.S. Section 5-210(b) for reference). When the month end falls on a holiday or weekend the rating shall be deemed timely if tendered on the first business day after said weekend or holiday. Service ratings may be issued: (1) during any Working Test Period, (2) when the employee wishes to amend a previously submitted less than good rating due to marked improvement, (3) and at such other times as the appointing authority deems that the quality of service of an employee should be recorded.

No second "less than good" rating shall be given until the employer has implemented a remedial plan which specifically identifies the deficiencies and the steps the employee needs to take to cure the deficiencies. In any event, said remedial plan must be in place for at least six (6) months before a second "less than good"-rating is issued.

The Employer retains all other contractually or statutorily permitted mechanisms for assessing employee performance. Any files maintained concerning interim conferences shall be in the form of supervisory notes and shall not be on the established rating form.

Section Two. A service rating will be conducted by the management designee familiar with the employee's performance in his/her current job assignment. No supervisor shall make comments within a service rating where such comments are inconsistent with said rating. However, constructive suggestions for improvement shall not be considered to be inconsistent with the rating.

(a) If each of the rating categories is rated as "Good or Better", the following shall govern supervisory comments included with such a rating. In cases where an employee has received "Good or Better" in every job factor on the designated form (PER-127), the rater has the option to complete a comment sheet. The form for recording such comments has been negotiated by the parties, and is designated as PER-127-A. Any comments will be associated with one or more of the factors on the PER-127. Comments are limited to the one page of the PER-127-A. Once the rater has shared the comments with the employee, the employee will have the option of attaching the comment sheet to the rating form, through an affirmative signature. The employee shall have until the close of the third business day from the date s/he has received the comment sheet to inform the supervisor of the decision as to whether or not to have the PER-127A attached to the PER-127. If the employee provides an affirmative signature prior to the end of the third business day, the employee may choose to revoke said signature prior to the close of the third business day. If the employee does not wish to have the PER-127A attached to the PER-127, the employee shall not sign the PER-127-A, and the PER-127-A will not be placed in the personnel file; the employee may retain a copy for her/his records. The content of a PER-127-A is not subject to the grievance and arbitration process, regardless of whether the employee chooses to have the PER-127-A attached to the PER-127.

Section Three. Ratings of fair in two (2) categories and/or unsatisfactory in one (1) or more categories shall constitute an overall rating of "less than good". Any other rating shall be considered good, except that a fair rating in a rating category shall indicate a need for improvement. An employee who has received a "less than good" rating in any category should be counseled prior to the issuance of said rating. The supervisor shall attach to the service rating

supporting narrative for each category that is rated as “less than good”.

(a) “Overall Fair Rating”. Ratings of “fair” in two (2) categories shall constitute an overall rating of “Fair”, which will not affect payment of the Annual Increment for the first year in which the overall “Fair” rating is issued. Two (2) consecutive overall “Fair” ratings may result in the withholding of the Annual Increment, but are not considered just cause for dismissal pursuant to section 5-240 of the regulations for State Agencies.

(b) “Overall Unsatisfactory Rating”. Ratings of “fair” in three (3) categories and/or “unsatisfactory” in one (1) or more categories shall constitute an overall rating of “Unsatisfactory”. Two consecutive overall “Unsatisfactory” ratings are considered just cause for dismissal pursuant to section 5-240 of the regulations for State Agencies.

Section Four. An employee may appeal any overall evaluation or evaluation category in which the rating was other than “good or better”. The evaluator bears the burden of demonstrating the appropriateness of said evaluation.

Section Five. The service rating form and comment sheet remains a negotiated document.

An employee may file a rebuttal within thirty (30) days of receipt. Absent any subsequent documented repetition of the underlying cause generating the derogatory material, the material(s) shall be deemed void as set forth below (15 months following receipt of the derogatory material) unless the parties agree otherwise.

A written reprimand which is not merged in a service rating within fifteen (15) months following the date of issuance shall be considered VOID, unless any subsequent, documented corrective measure has been taken within that period of time to address a similar underlying cause as that which resulted in the reprimand.

Notices of proven or accepted discipline and stipulated resolutions thereof are recognized as records to be retained in the personnel file unless the parties mutually agree otherwise, and such agreement is incorporated as part of the terms of said stipulation.

Section Six. Interrogation. (a) An employee who is being interrogated concerning an incident or action which may subject him/her to disciplinary action shall be notified of his/her right to have a Union Steward or other representative present upon request, provided however, this provision shall not unreasonably delay completion of the interrogation. The interrogation shall not in any case be delayed beyond twelve (12) working hours irrespective of the ability of the Union to provide the required representation. However, no employee will be forced to appear on the day/shift of such notice. This provision shall be applicable to interrogation before, during or after the filing of a charge against an employee or notification to the employee of disciplinary action.

(b) No employee shall be compelled to offer oral or written evidence against himself/herself in any investigation or (pre) disciplinary action. Statements by the employee in his/her own behalf shall constitute waiver of this protection.

(c) NEW An employee who is not the subject of the disciplinary investigation may be questioned by management regarding their knowledge or understanding of the matter under investigation. GRIEVANCE PROCEDURE

Section Six. The Grievance Procedure.

Step I. Agency Head or Designee. A grievance shall be submitted to the Agency Head or designee. A meeting with the Union representative and/or grievant shall be held within ten (10) days of receipt of the grievance and a written response shall be issued within ten (10) days thereafter.

Step II. The Office of Labor Relations. The parties acknowledge that orderly administration of the contract grievance procedure requires the Undersecretary for Director of Labor Relations to play an active role in the contract grievance procedure. Accordingly, no grievance shall be deemed ripe for submission to arbitration unless and until the Undersecretary for Director of Labor Relations has had an opportunity to resolve the grievance. An unresolved grievance may be appealed to the Undersecretary for Director of Labor Relations within twenty (20) days of the date of the Step I response. Said Undersecretary Director may hold a conference within sixty (60) days of receipt of the grievance and issue a written response within fifteen (15) days of the conference.

Add: The Union shall submit grievances to Step II by electronic mail, directed to a designated email address as identified by the Undersecretary for Labor Relations; the Office of Labor Relations shall provide email confirmation to the Union of receipt. If an individual member submits a timely grievance via paper, said method of submittal shall not, in and of itself, constitute grounds for the grievance to be deemed procedurally flawed. The Union shall establish an email address for the purpose of receipt of Step II grievance responses from the Office of Labor Relations; the Union shall provide email confirmation to the Office of Labor Relations of receipt of Step II responses.

GRIEVANCE PROCEDURE

Section Nine. Arbitration. (a) The parties shall agree to expand maintain the arbitration panel to of seven (7) arbitrators from which a specific arbitrator shall be selected on a rotational basis. Each party retains the right, to strike any particular arbitrator from the panel following said arbitrator's having convened a hearing on his/her third arbitration case between the parties, following three (3) case experiences to strike any particular arbitrator from the panel.

In such case, a replacement arbitrator shall be jointly agreed upon to replace each rejected arbitrator. Submission to arbitration shall be by letter, postage prepaid, addressed to the Director of Labor Relations. The submission shall specify that the arbitrator must be available to schedule the beginning hearing within twenty (20) days of his/her appointment. For Arbitrators selected to the panel after July 1, 2017 the arbitrator shall not have a cancellation period greater than 3 calendar weeks. The expenses for the arbitrator's service and for the hearing shall be shared equally by the State and the Union, or in dismissal or suspension cases when the Union is not a party one-half the cost shall be borne by the State and the other half by the party submitting to arbitration.

On grievances when the question of arbitrability has been raised by either party as an issue prior to the actual appointment of an arbitrator a separate arbitrator shall be appointed at the request of either party to determine the issue of arbitrability. Cases involving discharges, transfers, layoffs, or actions in which delay might render any remedy moot shall be given preferential scheduling.

(b) The arbitration hearing shall not follow the formal rules of evidence unless the parties agree in advance, with the concurrence of the arbitrator at or prior to the time of his/her appointment. In cases of dismissals, demotions or suspension in excess of five (5) days, the parties may request the arbitrator to maintain a cassette recording of the hearing testimony. Costs of transcription shall be borne by the requesting party. A party requesting a stenographic transcript shall arrange for the stenographer and pay the costs thereof.
TENTATIVE AGREEMENT

The State will continue its practice of paid leave time for witnesses of either party.

(c) The arbitrator shall have no power to add to, subtract from, alter, or modify this Agreement, nor to grant to either party matters which were not obtained in the bargaining process, nor to impose any remedy or right of relief for any period of time prior to the effective date of the Agreement, nor to grant pay retroactively for more than thirty (30) calendar days prior to the date a grievance was submitted at Step I. The arbitrator shall render his/her decision in writing no later than thirty (30) calendar days after the conclusion of the hearing, unless the parties jointly agree otherwise. The arbitrator's decision shall be final and binding on the parties in accordance with C. G. S. Section 52-418, provided, however, neither the submission of questions of arbitrability to any arbitrator in the first instance nor any voluntary submission shall be deemed to diminish the scope of judicial review over arbitral awards, including awards on competent jurisdiction to construe any such award as contravening the public interest.

Late Arbitration Awards. On those cases in which an arbitrator fails, without permission of the parties, to render a decision within the contractual time limits:

(a) The award shall be void.

(b) The arbitrator shall be dropped from the panel.

(c) The arbitrator shall not be paid.

 Expedited Arbitration. Expedited arbitration shall be available in those cases where time based issues are critical and for other grievances where the parties agree that such speedier process is mutually advantageous. The procedure for said grievances shall be as follows:

(1) Grievance files at Step II within ten (10) days of notice of the action.

(2) Step II conference within ten (10) work days of receipt.

(3) Employer response within three (3) work days of conference.

(4) Claim for arbitration to be filed within seven (7) work days of receipt of the Step II response.

(5) Arbitration to be scheduled within twenty (20) work days of claim.
TENTATIVE AGREEMENT

(6) Arbitration decision may be issued as bench decision, by mutual agreement of the parties, but in all cases the award will be issued within ten (10) days of the close of the hearing. All deadlines specified in this section may be waived by mutual, written consent of the parties. It is recognized that in scheduling an expedited arbitration, a regular grievance scheduled for arbitration may be replaced by the expedited grievance with mutual agreement of the parties. Furthermore, it is recognized that the failure to meet the appeal time frames established for the Union to move the grievance forward serves as removal of the grievance from expedited status to regular grievance status.

Section Ten. (a) Notwithstanding any other provision of this Agreement, the following matters shall be subject to the grievance procedure but not to arbitration:

(1) compliance with health and safety standards covered by CONN OSHA:

(2) disputes over claimed unlawful discrimination shall be subject to the grievance procedure but shall not be arbitrable if a complaint is filed with the Commission on Human Rights and Opportunities arising from the same common nucleus of operative fact.

(b) Notwithstanding any other provision of this Agreement, the following matters shall not be subject to either the grievance procedure or arbitration:

(1) dismissal of non-permanent employees.

(2) the decision to make a layoff and non-disciplinary termination of employees.

Reclassification Appeal Procedure

Section One. Step 1 (Agency). The first step of the reclassification grievance shall be the Commissioner of Administrative Services (DAS), or designee. The DAS Human Resources Business Partner or Agency Human Resources Professional from the Agency in which the grievant is employed, or designee, will hold a meeting with the Union designee, the grievant, and any witnesses virtually and issue a written response within thirty (30) calendar days after the conference is held. Grievance meetings shall include documentation of what witnesses would relate in the form of statements or other offers of proof.

Section Two. 2 (Panel). The procedures for Reclassification Appeals per Sections Two, Three, and Four of this Article shall be implemented as a pilot program, for a period commencing with legislative approval and continuing for the duration of the collective bargaining agreement. Toward the conclusion of the pilot period, the State and the Union shall meet and discuss whether the Pilot shall be continued by mutual agreement, modified, or terminated. Either the State or the Union may choose to terminate this Pilot at the conclusion of the pilot period, in which case the Pilot will remain in effect until a replacement procedure is negotiated. The Parties agree to expedite negotiation of a replacement procedure, should the need arise. While the procedures of the Pilot are in effect, the terms of Memorandum of Understanding II are deemed suspended by the Parties.

(a) An unresolved reclassification grievance may be appealed to the Commissioner of Administrative Services within seven (7) working days of receipt of the Step 1 response or its due date. An appeal panel shall be appointed consisting of one (1) Human Resources Professional experienced in job classification, appointed by the Commissioner of Administrative Services or designee, (1) Union representative experienced in job classification, appointed by the Union, and one (1) Management representative, appointed by the Appointing Authority of the Agency from which the grievance originated. The Commissioner or designee shall designate the chairperson for the panel. The panel shall, at all times, consist of three (3) members. The preferred method for conducting the panel conference shall be through virtual means; however, upon mutual agreement, the conference may be held in person. The Classification Panel shall hold a conference (either virtual or in person) on a date mutually agreed upon by the State and the Union.

(b) Any and all conference and grievance-related meetings held under this Article shall be held consistent with the terms specified under Article 15, Section Twelve. The panel chairperson may exclude any person who engages in improper conduct. No formal transcripts or stenographic records of proceedings shall be required. Technical rules of evidence shall not prevail. The panel may not grant any remedy other than the specific remedy requested in the grievance filed at Step I or as modified by mutual agreement of the parties concerned and may not add to, subtract from, alter or modify bargaining agreement or grant either party matters which were not obtained in the bargaining process. Witnesses shall be compensated in accordance with Article 15, Section Nine. Management may be represented by either the appointing authority (or designee), the Commissioner of Administrative Services
designee(s) or both. The burden of proof shall be on the employee to show that management’s denial of the reclassification was arbitrary or unreasonable.

Section Three. Panel Action. The Panel shall hear and decide and issue a written response within thirty (30) calendar days of the conference. Time limits for scheduling and response may be extended by agreement of the panel only for good cause. The panel’s decision shall be in writing, signed by the Chairperson, and shall be binding on the parties provided the decision is consistent with merit system conditions. Such decision shall include a brief statement of facts supporting the decision. The original grievance, along with all documents, evidence, and other written data relating to the case shall be filed with the Commissioner of Administrative Services. Copies of the decision only shall be forwarded to the Union representative (or grievant), the appointing authority and any other party deemed by the panel to be entitled to such copy.

Section Four. Panel Decision. The Panel Decision referenced in Section Three above shall be by majority vote, and may be any of the following:

(a) The Panel votes in favor of reclassification, and proceeds as follows:

(1) The Chairperson shall forward to the Commissioner of Administrative Services (through the Chief Human Resources Officer) a recommendation for reclassification, along with a complete record of grievance material.

(2) The Chief HRO shall then appoint an HR Professional experienced in classification to review the grievance material, and to convene a brief meeting with the entire Reclass Panel, to discuss their recommendation.

(3) The HR Professional appointed by the Chief HRO shall review the Panel’s recommendation, and, on behalf of the Chief HRO, sustain or deny the grievance. Such decision shall be final and binding upon the parties.

(b) The Panel sustains the appeal and payment for service in the higher class is authorized, consistent with Six, but reclassification is not recommended because:

(1) existing merit system conditions do not permit appointment;

(2) the organizational structure and/or staffing conditions do not support the additional position;

(3) of other reason (state reason).

(4) The Department of Administrative Services will review the work experience of the employee, to validate that s/he meets the minimum experience and training requirements for the higher-level classification, which is a condition of TSHC payment.

(c) The Panel denies the appeal.

Section Five. In any finding referred to in Section Two (b) above, the panel must issue a cease and desist order, or may order back payment as a remedy if deemed appropriate consistent with this Article.

Section Six. An employee whose reclassification appeal is sustained shall be eligible for payment in the higher class beginning with the thirty-first (31) working day from the date which
the panel finds the employee began working in the higher class. In no case may this latter day be earlier than thirty (30) calendar days prior to the submission of the grievance at Step I.

Section Seven. TSHC Appeals. Appeal rights for employees seeking payment for Temporary Service in a Higher Class are specified in Article 28. The appeal process for TSHC payment shall be the same as for reclassification, under the pilot program described in Sections Two, Three, and Four of this Article. A Panel Decision in a TSHC appeal may be either:

(a) The Panel votes in favor of TSHC, and proceeds as follows:

(1) The Chairperson shall forward to the Commissioner of Administrative Services (through the Chief Human Resources Officer) a recommendation for TSHC, along with a complete record of grievance material.

(2) The Chief HRO shall then appoint an HR Professional experienced in classification to review the grievance material, and to convene a brief meeting with the entire Panel, to discuss their recommendation.

(3) The HR Professional appointed by the Chief HRO shall review the Panel’s recommendation, and, on behalf of the Chief HRO, sustain or deny the grievance. Such decision shall be final and binding upon the parties.

(b) the Panel denies the appeal. At the discretion of the Panel, a denial may also include instruction to remove one or more duties.

(c) Remedy for a sustained appeal shall be consistent with the terms specified in Article 28. The Department of Administrative Services will review the work experience of the employee, to validate that s/he meets the minimum experience and training requirements for the higher-level classification, which is a condition of TSHC payment.

HOURS OF WORK

Section Two. For the purpose of determining hours of work, a duty station shall be defined as the State-owned or leased building, or other location at which an employee reports for duty. An employee's work day shall begin at the duty station except as outlined below.

(a) For designated field employees, the duty station shall be defined as the first business call. However, if the first or last business call is more than thirty (30) minutes from home (if by personal vehicle), pickup point (if by State vehicle) or hotel/motel (if traveling outside of the State on State business), the excess over thirty (30) minutes shall be considered as time worked. Provided, however, if the employee resides outside of the State of Connecticut, the standard work day will be measured from the State line when conducting field assignments in Connecticut or passing through Connecticut on field assignments. Such employee conducting field assignments in his/her State of residence will use his/her personal residence as the point of reference for measuring the thirty (30) minute time period above. Provided, however, designated field employees who conduct field assignments in other States will use the hotel/motel in which they stayed the night prior to the call as the point of reference for measuring the thirty (30) minute time period above. The out of State lunch reimbursement policy shall not apply to designated field employees living out-of-state who perform field assignments in their State of residence and/or in Connecticut. Meal reimbursement shall apply for all field assignments outside of Connecticut and outside the individual's State of residence. Meal reimbursements shall be paid at rates specified in Article 25, Section Thirteen.

Assignments requiring the refill or establishment of a position are also subject to the approval of the Secretary of the Office of Policy and Management (or designee). An extended assignment constituting Temporary Service in a Higher Classification is one which is expected to last more than thirty (30) consecutive working days.

(b) The number of supervisees standing alone will not be a bar for TSHC compensation for any individual who is assigned to perform temporary duties consistent with this Article where the level of responsibility is substantially the same as that of an individual covered by a higher classification.

Section Two. (a) An employee who is assigned to perform temporary service in a higher class shall, commencing with the thirty-first (31) consecutive working day, be paid for such actual work, retroactive to the first day of such service, at the rate of the higher class as if promoted thereto.

Section Two. (a) An employee who is assigned to perform temporary service in a higher class shall, commencing with the thirty-first (31) consecutive working day, be paid for such actual work, subject to review and approval by DAS and OPM, as indicated above. Payment shall be retroactive to the first day of such service, at the rate of the higher class as if promoted thereto.

(b) An appointing authority making a temporary assignment to a higher class shall issue the employee written notification of the assignment and shall immediately forward the appropriate form along with a copy of the written notification seeking approval of the assignment from the Commissioner of Administrative Services in writing. The form certifying the assignment shall specify the rights and obligations of the parties under Section Two (c) and (d).
(b) An appointing authority making a temporary assignment to a higher class shall issue the employee written notification of the assignment and shall immediately forward the appropriate form along with a copy of the written notification seeking approval of the assignment from the Commissioner of Administrative Services, or designee, in writing. The form certifying the assignment shall specify the rights and obligations of the parties under Section Two (c) and (d). In any subsequent appeal for compensation, the effective date of the assignment shall represent the retroactive payment date should the employee prevail in said appeal, notwithstanding any other timeframes for remedy documented under the Grievance Procedure in Article 15.

(c) If, by the thirty-first consecutive working day, the assignment has not been approved, the appointing authority shall immediately reassign the employee to his/her former duties and compensate the employee for assigned service pursuant to Section Two. No appeal rights shall accrue in this instance.

(d) In the event the Commissioner of Administrative Services disapproves the requested assignment on the basis of his/her judgment that the assignment does not constitute temporary service in a higher class, the employee may continue working as assigned with recourse under the appeal procedure for reclassification but not under the grievance or arbitration procedure, or may request reassignment if reassignment is denied by the appointing authority. The appointing authority shall honor such request. Appeal rights shall accrue only if reassignment to the former duties occurs on or after the thirty-first consecutive working day. In the event the reassignment occurs on or after the thirty-first consecutive working day, the employee shall have recourse for TSHC payment under the appeal procedure for reclassification but not under the grievance or arbitration procedure. In any such appeal, the effective date of the assignment shall represent the retroactive payment date should the employee prevail in said appeal, notwithstanding any other timeframes documented under the Grievance Procedure in Article 15.

(d) In the event the Commissioner of Administrative Services (or designee) disapproves the requested assignment on the basis of his/her judgment that the assignment does not constitute temporary service in a higher class the employee may continue working as assigned, or may request reassignment to his/her former duties. In the event the Secretary of OPM (or designee) disapproves the requested position action that would facilitate payment, the duties forming the basis of the Agency’s request for TSHC payment shall be removed immediately.
TENTATIVE AGREEMENT

If the employee continues to work as assigned, the employee shall have recourse for TSHC payment under the appeal procedure for reclassification but not under the grievance or arbitration procedure. In any such appeal, the effective date of the assignment shall represent the retroactive payment date should the employee prevail in said appeal, notwithstanding any other timeframes documented under the Grievance Procedure in Article 15.

If reassignment is granted by the appointing authority, the employee may appeal for TSHC compensation if the duration of the period of actual work performed at the higher level exceeded 30 consecutive working days prior to the reassignment. The employee may appeal under the procedure for reclassification but not under the grievance or arbitration procedure. In any such appeal for compensation, the effective date of the assignment shall represent the retroactive payment date should the employee prevail in said appeal, notwithstanding any other timeframes documented under the Grievance Procedure in Article 15.

If reassignment is denied by the appointing authority, the employee may appeal for TSHC compensation once the duration of actual work performed at the higher level exceeds 30 consecutive working days. The employee may appeal under the procedure for reclassification but not under the grievance or arbitration procedure. In any such appeal for compensation, the effective date of the assignment shall represent the retroactive payment date should the employee prevail in said appeal, notwithstanding any other timeframes documented under the Grievance Procedure in Article 15.

Nothing in this Section is intended to preclude an individual employee from making separate claims for reclassification and/or temporary service coverage, with recourse under the reclassification procedure, but not under the grievance and arbitration procedure. In any such case in which an employee makes separate claims, the effective date of the assignment shall represent the retroactive payment date for remedy, should the employee prevail in either appeal, notwithstanding any other timeframes documented under the Grievance Procedure in Article 15.

Section Four. Upon notification that the Commissioner of Administrative Services and the Secretary of the Office of Policy and Management have established a permanent class, the following procedure should be followed:

TUITION REIMBURSEMENT

1. Article 31 Section six of the A&R Contract provides for an annual allocation of one hundred twenty thousand dollars ($120,000.00) to the Professional Development and Conference Fund. Article 24 Section six of the A&R Contract provides for an annual allocation of two hundred thousand dollars ($200,000.00) for tuition reimbursement. In order to address the problem with unreimbursed claims, the State and the Union agree as follows:

2. By March 31st of each contract year, the Union shall advise the Office of Labor Relations that it would like to transfer uncommitted balances, or any portion thereof, existing in the P-5 Professional Development and Conference Fund to the P-5 Tuition Reimbursement Fund and use it to offset shortfalls in tuition reimbursements. The parties shall notify the Office of the State Comptroller that they reached mutual agreement on the amount that shall be transferred from the Professional Development and Conference Fund to the Tuition Reimbursement Fund.

3. Once the Professional Development and Conference Fund balance or any portion thereof, has been transferred to the Tuition Reimbursement Fund, these funds may be used to reimburse tuition reimbursement applications, in the order in which they were received by the Office of the State Comptroller and as prescribed by the Collective Bargaining Agreement except as otherwise modified herein:

4. RE: Use of Kronos System to Document Lunch Period

During the course of negotiations for a successor to the Parties’ agreement covering the period from July 1, 2016 through June 30, 2021, there was extensive discussion on the State’s use of the Kronos system. A question arose as to whether A&R members were required to use the system to document the lunch period.

This memorandum is to codify that no A&R member is required to “clock in and out” for the lunch period unless they are doing so in compliance with an existing term of the collective bargaining agreement – in particular, the “pure flex” provision of Article 16a.

This understanding is not meant in any way to impact the rights of the Parties regarding the implementation and use of workforce management systems.

Please feel free to contact me with any questions or concerns.

RE: Job Class Reevaluations

During the course of negotiations for a successor to the Parties’ agreement covering the period from July 1, 2016 through June 30, 2021, the matter of job class reevaluations was discussed. This memorandum is to confirm the understanding reached during those discussions.

The Union will forward up to five (5) job classifications for review during the period covered by the successor agreement. Should one of those classifications be Consumer Protection Inspector (with its various specialties), that shall be considered a single job classification for the purpose of counting toward the five (5).

GENERAL INSTRUCTIONS

I. When To File a Service Rating - A Service Rating Report is to be filed at the following times:

A. During any working test period, either promotional or original, the quality of service of any employee shall be reported as either “Good or Better” for satisfactory or better performance and the form shall be on file in the office of the appointing authority not more than six nor less than two weeks prior to the termination of the period; or “less than good” performance, and the report shall be approved by the appointing authority and filed with the Commissioner of Administrative Services; an unsatisfactory service rating of an employee serving a working test period necessitates his/her release or demotion to a class in which he/she has prior status not later than upon termination of the working test period.

B. When the performance of an employee with permanent status has been “Less than Good”; if the reviewer recommends precluding the annual salary increase, the report shall be approved by the appointing authority and filed with the Commissioner of Administrative Services prior to the employee’s increase date.

C. When the appointing authority wishes to amend a previously submitted Fair or “Less Than Good” service report due to marked improvement in an employee’s performance, such report shall be filed with the Office of the Commissioner of the Department of Administrative Services not later than two weeks prior to the increase date, and it shall have precedence over previous reports and shall restore the annual increase.

D. Annually for each permanent employee, said annual rating is to be filed in the office of the appointing authority at least three months prior to the employee’s annual increase date.

E. At such other times as the appointing authority deems that the quality of service of an employee should be recorded.

II. Preparing The Service Rating

A. For the job factor “Dependability”, in considering abuse of attendance, the rater may consider absences exceeding the contractually earned leave days, except that he/she may also consider clearly identifiable “pattern” absences and/or repeated or extended unauthorized leave by an employee.

B. In cases where an employee is to receive “Good or Better” in every job factor on the designated form (PER-127), the rater has the option to complete a comment sheet. The form for recording such comments is designated as PER-127-A. Comments will be associated with one or more of the factors on the PER-127. Comments are limited to the one page of the PER-127-A. Once the rater has shared the comments with the employee, the employee will have the option of attaching the comment sheet to the rating form, through an affirmative signature. The employee shall have until the close of the third business day from the date he/she has received the comment sheet to inform the supervisor of the decision as to whether or not to have the PER-127-A attached to the PER-127. If the employee provides an affirmative signature prior to the end of the third business day, the employee may choose to revoke said signature prior to the close of the third business day. If the employee does not wish to have the PER-127-A attached to the PER-127, the employee shall not sign the PER-127-A, and the PER-127-A will not be placed in the personnel file; the employee may retain a copy for her/his records. The content of a PER-127-A is not subject to the grievance and arbitration process, regardless of whether the employee chooses to have the PER-127-A attached to the PER-127.

C. All ratings are to be discussed with the employee by the employee’s immediate supervisor. The employee should be asked to sign the report, indicating that the employee has seen the form and discussed it with the immediate supervisor. The effective date of the rating shall be the date it is approved by the appointing authority.

D. A copy of a “Less than Good” service rating is to be furnished to the employee, after having been approved.

III. Consequences Of A “Less than Good” Service Rating

A. Ratings of fair in two (2) categories and/or unsatisfactory in one (1) or more categories shall constitute an overall rating of “less than good”. Any other rating shall be considered good, except that a fair rating in a rating category shall indicate a need for improvement. An employee who has received a “less than good” rating in any category should be counseled prior to the issuance of said rating. The supervisor shall attach to the service rating supporting narrative for each category that is rated as “less than good.”

B. “Overall Fair Rating.” Ratings of “fair” in two (2) categories shall constitute an overall rating of “Fair”, which will not affect payment of the Annual Increment for the first year in which the overall “Fair” rating is issued. Two (2) consecutive overall “Fair” ratings may result in the withholding of the Annual Increment, but are not considered just cause for dismissal pursuant to section 5-240 of the regulations for State Agencies.

C. “Overall Unsatisfactory Rating.” Ratings of “fair” in three (3) categories and/or “unsatisfactory” in one (1) or more categories shall constitute an overall rating of “Unsatisfactory”. Two consecutive overall “Unsatisfactory” ratings are considered just cause for dismissal pursuant to section 5-240 of the Regulations for State Agencies.

D. A review of any “Less than Good” service rating, other than those issued during any working test period, shall be done within sixty calendar days of the date of the original to determine whether improvement has been made and an amended service rating is in order. The effective date of any service rating shall be the date approved by the appointing authority.

COMPENSATORY TIME FOR CLASSIFICATIONS
LABOR DEPARTMENT UNIT DIRECTOR/DIRECTOR OF UIFS&A

In November 2021, the Office of Labor Relations, on behalf of the State of Connecticut, and the A&R Employees Union reached an agreement concerning the usage and payout of Compensatory Time Earned by employees in two specific job classifications that accreted into the bargaining unit. The agreement was intended to address the method of handling Compensatory Time earned prior to joining the bargaining unit, between the date the employees entered the bargaining unit and the date when the legislature approved the accretion agreement, and time earned after legislative approval but before the effective date of the agreement.

In good faith, the Parties have implemented each term of the agreement except for Item #2, which was to be addressed during contract negotiations for a successor agreement to the Contract that expired on 6/30/2021. That provision states, in part:

2. All Compensatory Time Earned between the date they entered the bargaining unit on 4/13/2020 and the date the legislature approved the accretion agreement on 3/23/2021 shall be discussed and resolved during contract negotiations with A&R Employees Union for a successor agreement to the Contract that expired on 6/30/21. The employees shall be paid any time that exceeds the 100 hour maximum.

During contract negotiations, the Parties agreed as follows:

1. For the employees listed above, any pending compensatory earned time balance in excess of 100 hours at the time of legislative ratification of the successor collective bargaining agreement will be paid as soon as practicable following said ratification.

2. Employees will continue to be eligible for payment for compensatory time earned beyond the 100 hour balance consistent with the terms of the collective bargaining agreement.

3. Consistent with the terms of the collective bargaining agreement, no compensatory time balance is payable upon separation from State service.

This Agreement resolves all pending matters pertaining to employees in the classifications referenced above, with regard to their having accreted into the A&R Bargaining Unit.
