

Union-Made Toy List

Did you know that ALL Hasbro branded games and toys are union-made?

Visit www.hasbro.com to search all their products. A list of some classic products is below.

Additionally, for a list of **union-made beers, union-made candy or union-made pet food** please text TOYS, BEER, CANDY or PETS to 22555 to have an on-the-go shopping list sent directly to your phone.

We thank you in advance for supporting our hardworking union brothers and sisters whenever possible this holiday season.
